

APPLICATION FOR RESIDENCE AT laSala:

REQUIRED DOCUMENTS

- Presentation of the project:

Type of residency requested

Description of the project

Artistic team

Age range the project is aimed at

Specify whether the proposal is supported by other centres and whether it has any co-production or public support

- Budget
- Schedule
- Artistic and technical needs

*The time frame (frequency, duration, schedule, etc.) will be agreed to try to adjust to the needs of each project, wherever possible.

LOGISTICAL AND FINANCIAL SUPPORT

It may be possible to offer support for transport and accommodation.

In the event that the project becomes part of the laSala's regular programming, 70% of the box office takings will go to the artist/company.

EVALUATION CRITERIA

Quality of the artistic proposal and interest within the context of creating performing arts for children and young people.

Clear presentation, methodology, planning and coherence of the project.

Risks taken, experimentation and openness to new artistic languages. As well as hybrid in-person/digital formats or combinations of different artistic disciplines.

Commitment to dialogue with laSala to share the knowledge generated during the creative process.

Willingness to develop mediation and participation actions in connection with laSala's field of activity.

Projects with a clear view towards internationalisation will be viewed positively.

Projects targeting audiences with different abilities will be welcomed.

Projects that take into account reducing environmental footprint will be welcomed.

Please send projects to creacioelasalateatre.cat, preferably in .pdf format.
